ORDER OF DISMISSAL

On January 17, 2006, this Court issued an order directing the plaintiff to show cause why this case should not be dismissed for lack of personal jurisdiction over the defendants. The plaintiff responded with a memorandum stating why he believes that subject matter jurisdiction existed but failing to explain any basis for asserting personal jurisdiction over the defendants, all of whom are alleged to be citizens of Massachusetts; none of whom are alleged to have any minimum contacts with the state of Rhode Island, and the incident is alleged to have occurred in the state of Massachusetts.

Therefore, no cause having been shown, this case is hereby dismissed.
